<p>1. The chief of the LCHERFORE black propaganda section on 16 January 1962 flashed before the undersigned two dispatches dated 13 December 1960 and 23 October 1961 respectively from the SMOOTHER Embassy in Moscow. (The undersigned was told that the LCHERFORE chief had personally approved this flashing procedure which was entirely unofficial and was told that it would be embarrassing to LCHERFORE should it become known outside KUBARK circles.)</p> <p>2. The SMOOTHER dispatches had forwarded to the Foreign Office small-sized emulsion propaganda pamphlets in Ukrainian which had been mailed to the Ukraine from the U.K. and in turn had been mailed to the SMOOTHER Embassy in Moscow along with "indignant" letters from their recipients.</p> <p>3. The LCHERFORE black propaganda section chief said he assumed that KUBARK (he specifically mentioned <input type="checkbox"/> was behind this mailing operation and did not wish to pry further into the matter. Neither did the LCHERFORE chief wish to complain about this operation. In fact, the purpose of flashing these dispatches was to make available to KUBARK information about the mailing operation in the assumption that KUBARK might find the information useful.</p> <p>4. The undersigned did not volunteer any information about KUBARK's mailing activities into the USSR, but expressed sincere appreciation for the information which was volunteered out of channels by LCHERFORE.</p>

<p>2.E. After this dispatch had been typed, we recalled the reference <b>SMOOTH</b> query and Headquarters' reply about the mailing of the pamphlet to the U.K. from Switzerland. We suggest that this earlier exchange be read in conjunction with the above four paragraphs for they appear to relate to the same mailing operation, e.g., the <b>SMOOTH/SMOOTH</b> query forwarded with reference A referred to the fact that the Swiss Embassy in Moscow toward the end of December 1960 had received from Ukrainian recipients a number of pamphlets mailed from Switzerland - and we note that one of the <b>SMOOTHER</b> Embassy dispatches mentioned in paragraph 1 above was also dated December 1960. We would also like to comment that LCHERFORE's sensitivity about discussing this matter with KUBARK reflects the difference between LCHERFORE's charter and that of <b>SMOOTH/SMOOTH</b>.</p>
